Introduction

This Code of Conduct has been developed to assist everyone involved in Snow Australia Interschools events to promote fair competition and appropriate behavior.

Competitors, parents, coordinators, coaches, administrators, officials, team managers, spectators and the media involved in Interschools events should be aware of the Code of Conduct.

The Code of Conduct applies not only to official Interschools competitions, programs, ceremonies, and activities, but also to the general conduct of participants during the entirety of the Interschools Snowsport Championships. This clause will be interpreted broadly by the State Organising Committees.

By participating in Interschools events, it is understood those involved accept responsibility for complying with the Alpine Responsibility Code and the Interschools Code of Conduct detailed below. Participants also agree to accept the consequences of any breach of these codes. These may include, depending on the nature and severity of the breach:

- Disqualification from an event of an individual, team or school.
- Rejection of future entries of an individual, team or school.

Alpine Responsibility Code

YOUR ALPINE RESPONSIBILITY CODE

There are inherent risks in all snow recreational activities. Common sense, staying in control and personal awareness can reduce these risks. Risks include rapid changes in weather, visibility and surface conditions, as well as natural and artificial hazards such as rocks, trees, stumps, vehicles, lift towers, snow fences and snowmaking equipment. Observe the code and ski and ride with courtesy to others.

1. Stay in control and avoid other people and hazards.
2. Use appropriate protective equipment, especially helmets, to minimise the risk of injury.
3. You must have the ability to use each lift safely. If in doubt ask the lift attendant.
4. Obey all signs and warnings, and keep off closed trails and areas.
5. It is your responsibility to avoid and give way to people below and beside you.
6. Do not stop where you are not visible from above or where you obstruct a trail.
7. Before starting downhill, or merging into a trail, look uphill and give way to others.
8. Use care to prevent runaway snowboards.
9. If you are involved in or see an accident, alert and identify yourself to Resort Staff.
10. Be aware that it is dangerous to ski, board or ride lifts if your ability is impaired by drugs or alcohol.

**KNOW THE CODE.
IT'S YOUR RESPONSIBILITY.**

**Failure to observe the code may result in cancellation
of your ticket or pass by Resort Staff.**

1. Competitor's Code of Conduct
